| Early termination charge | There are no early termination charges | | | |

Information about the service

Devices

To use this service, you'll need to bring your own compatible mobile device which supports 3G 850MHz and, for access to the 4G service, both 4G 1800MHz and 4G 700MHz bands.

How do I know how much data I have remaining?

You can keep track of your data by signing in to your Belong account through the Belong app or on the website at belong.com.au/account/mobile.

We'll also send you SMS alerts in near real-time when you have used 50% and 85% of your monthly data allowance. Once you have no data remaining, we'll send a final SMS to let you know and your service will be slowed to a maximum of 64 kbps.

What happens if I exceed my data allowance?

You can purchase additional data at any time, if your allowance is low or has run out, in units of 5GB for \$10 each. We do not

apply data top-ups automatically. If you have no data remaining, your service will be slowed to a maximum of 64kbps for the rest of that monthly payment cycle, but we won't charge you any extra. Your data at the slower speed will be unlimited.

Gifting and banking data

With your plan, you can:

- Gift your unused data, in 1GB units, to another Belong mobile customer;
- Bank (roll over) any unused data at the end of the current month. Full details are set out in our Customer Terms.

Message2Txt

If you miss a call, the caller will be able to leave a 10 second voice message that we will try to convert into text and send to you as an SMS. We don't currently offer a voicemail service.

Belong Mobile Critical Information Summary

Where can I use my service?

Provided you've got a 4G-compatible device, you'll receive access to our national 4G or 3G coverage – see maps at belong.com.au/mobile/coverage-map. Mobile coverage depends on a number of factors such as your device, location, surrounding landscape as well as the building you may be using your device from.

Are there any numbers that I can't call or text?

Yes, calls and texts to certain operators or call-in customer types aren't available from your Belong mobile service. These types include:

- Satellite numbers
- Premium numbers (e.g. the 19XX numbers), 1234, 12 455 and 12 456
- International numbers outside of our add-on selected destinations

Can I use my service overseas?

No, your service is for use in Australia only. You won't be able to use it to make or receive calls or to send messages while you're overseas, or to access mobile data while overseas. We don't currently offer any international roaming options.

How much will I pay upfront for a new service?

There is no charge to order a SIM online. We will send it for free to an address in Australia.

When you activate your service, you'll need to pay the first month's charge for your plan, plus the cost of the international call and text add-on if selected.

When will I be billed?

Following your initial payment on sign-up, you'll be billed for subsequent monthly charges in advance on the same day each month. We'll notify you of your payment day after you sign-up, and you can see it at any time in our app or by signing in to your account on our website. Unlike the monthly charges, your preferred payment method will be charged immediately each time you buy a data top up.

How do I pay?

You'll need to pay any charges via recurring payment from a Visa, MasterCard or PayPal account.

Can I change my data allowance?

You can change your plan size once per monthly payment cycle. We'll move you to the new plan and pricing at the start of the next monthly payment cycle, continuing from month to month thereafter until you make a further change.

Where you reduce your plan size we won't refund any money or remove data that you've already paid for on the higher data plan for the current month.

Can I add or remove the unlimited international call and text add-on?

You can add or remove the unlimited international call and text add-on once per monthly payment cycle.

If you add this add-on you'll be able to use the included calls and SMS/MMS almost straight away, and the monthly charge for the add-on will apply from the next monthly payment cycle.

If you remove this add-on, we'll remove it at the start of the next monthly payment cycle. We won't refund any money that you've already paid for the add-on for the current month.

This add-on renews automatically at the end of each payment cycle until you remove it.

How do I cancel my service?

You can cancel your service without any further monthly payments by submitting a support request through our app or website a minimum of 24 hours before the start of the next monthly payment cycle.

If you cancel your service, we won't refund any fees that you've already paid to us and your service will stop working within an hour of your request being actioned.

Acceptable use policy

You must use your service in a fair, legal way that does not interfere with other people's use of the service and follows our acceptable use policy. It's for personal use only and must not be resold. For the full policy see belong.com.au/customer-terms

What should I do if I need help?

If you've got questions, visit belong.com.au/contact-us

What should I do if I have a complaint?

At belong.com.au/contact-us you'll find details about who to contact if you have a complaint. If we can't resolve your complaint, you can contact the Telecommunications Industry Ombudsman on 1800 062 058. For full contact information for the TIO, visit tio.com.au/about-us/contact-us. This is a summary only.

Full legal terms are available at belong.com.au/customer-terms.
